President's Message

Dear Coaches, Participants, Parents, and Guests,

The Executive Board of the Missouri State Dance Team Association (MDTA) warmly welcomes you to the 2026 Missouri Dance Team Championship. MDTA was founded to support Missouri's dance teams and showcase the high level of talent among our dancer athletes. Our nonprofit organization is dedicated to providing resources for coaches, acting as a liaison with MSHSAA and fostering a supportive network between coaches.

Today is a celebration of a year filled with growth, determination, and achievement—and a final performance that showcases the very best each team has to offer. We want to thank all MDTA member coaches for continuing to push excellence in the sport of dance in Missouri and sharing with us your incredible team's talents today.

We extend our sincere gratitude to the Kansas City Municipal Auditorium and their exceptional staff for the many hours of preparation and hard work that have made this championship possible. Their dedication behind the scenes ensures a first-class experience for every participant and guest.

I personally want to express my deepest gratitude to the MDTA board members for their tireless efforts in making this competition possible. The 17 motivated members of our executive board volunteer their time throughout the year to celebrate the vibrant dance community of Missouri. Our service is driven by a desire to give back to a program that has enriched our lives with unforgettable memories and lasting friendships.

On behalf of the entire MDTA executive board, thank you dancers and coaches for your participation today. We wish you the very best in your performances and encourage everyone to enjoy the incredible talent that Missouri has to offer. Today is a celebration of competition, but also sportsmanship. Help us cheer for the hard work of all teams who earned the right to be here. Best of luck to everyone!
